Welcome to Shift Training!

We are pleased that you have decided to study with us and congratulate you on starting this exciting learning journey. We look forward to helping you achieve your chosen qualification.

As a Registered Training Organisation (RTO) 41589, we deliver nationally recognised training that complies with the Australian Quality Framework as well as State and Territory regulatory requirements. This legislative framework ensures that you, the learner, can rest assured that quality processes and systems inform the way we run our business.

In addition to the legislative framework, the training programs that we offer are based on qualifications from nationally recognised training packages. This ensures that the skills, knowledge and attitudes you develop throughout your training have been identified by the industry, for the industry. Simply put, this means that our courses are designed to make you 'employable'.

This learner handbook is designed to provide you with information around the most common learner queries. If there is anything in the booklet that you are unsure of, we invite you to ask any of our friendly staff for clarification and they will be more than happy to help.

Your Learning

Assessments

Participants enrolled in training which will lead to either a Statement of Attainment or Certificate are required to complete Assessments to demonstrate competency. Competency based assessment is the process of gathering evidence to confirm that students have the skills and knowledge required to perform a task within the workplace to industry standards expected.

Assessments undertaken may include:

- Written/oral assessments
- Practical demonstrations
- Completion of case studies and similar activities
- Development of a portfolio
- Work samples
- Third party reports

You will be given feedback on all assessment activities. Competency based assessment does not use a marking scale rather you are deemed “competent” or “not yet competent”.

With competency-based training, not all students will learn at the same pace – it will take time to develop the skills required to complete an assessment. Should you require more time to complete your studies, please talk to your course coordinator who can arrange this for you.

Plagiarism

Plagiarism is a form of dishonesty that occurs when a person passes off someone else's work as his or her own and is a serious academic offence. All plagiarised assessments will instantly be assessed as Not Competent and learners will be required to resubmit their work, this includes any AI or Chat GTP etc.

Recognition of Prior Learning (RPL)

RPL is the process of formal recognition for skills and knowledge gained through previous learning such as:

- Life experiences
- Previous formal learning
- Employment
- Recreational or personal interests

You may be eligible for RPL for part or all of your intended study, based on your previous experiences and learning. For more information regarding RPL and how to apply, please discuss this with your Trainer. You must enrol and pay the enrolment prior to an RPL application being assessed.

Credit Transfer

You may be eligible for a credit transfer if you have previously undertaken training through a Registered Training Organisation. A credit transfer may be granted for one or more units. Three (3) major factors need to be considered:

- How current the Qualification/Statement of Attainment is
- Mapping to the current unit of competency, and
- If the training was undertaken with a Registered Training Organisation.

If you think you may be eligible for a credit transfer, you will need to provide the following:

- The original Statement of Attainment and/or Certificate for your Trainer to sight
- A copy of the Statement of Attainment and/or Certificate or a certified copy of your signed Statement of Attainment and/or Certificate by a Justice of the Peace (JP)
- There is no charge for Credit Transfer

All applications for Credit Transfer will need to be verified with the issuing RTO to ensure its validity prior to the Credit Transfer being granted.

Assessment Results

You will receive your Assessment feedback and result within ten (10) working days of submission.

On completion of a Qualification or Unit of Competence, Shift Training will issue Statements of Attainment/ Certificates within thirty (30) calendar days.

Please note: If you require a Statement of Attainment to be issued during your enrolment, you will need to notify the Shift Training Pty Ltd office. You will then receive a Tax Invoice for \$20 plus GST. This must be paid prior to receiving your Statement of Attainment and can be paid via Direct Debit, Credit Card

What if I need my Certificate or Statement of Attainment to be re-issued?

In the event of a lost or damaged Certificate or Statement of Attainment, please complete the Change of Enrolment Information Form to request re-issuance of a Certificate or Statement of Attainment and return with payment of \$50 inclusive of GST.

Step 3: The assessment is to be reviewed by a different Assessor and the results of the review summarised on the Assessment Appeals Form. You are to be advised of the appeals outcome within ten (10) working days. *(This should occur within ten (10) working days of Step 2)*

Step 4: If still not satisfied with the outcome of the appeal, your appeal is to be reviewed by the CEO. The CEO will send an acknowledgement letter to you, record the receipt of the Assessment Appeals Form, then review. The CEO if necessary will convene a review panel to thoroughly examine the appeal. *(You are to be advised of the outcome within ten (10) working days).*

Step 5: If you are not satisfied with the outcome then an external party will be called upon to mediate and liaise with both parties in an attempt to resolve the issue. Any cost of such external party will be shared equally between the RTO and the appellant.
