

Shift Training – Shift the way you think!

Stand out from the competition and upgrade to the latest qualification for Driving Instructors!

TLI41218 Certificate IV in Driving Instruction (Car Instruction)

Do you or your instructors hold the latest driver trainer qualification?

At Shift we have developed an upgrade program with driving instructors in mind. The program integrates Credit Transfer, RPL and a one-day practical workshop so you can quickly and easily have your current skills recognised.

As an RTO (Registered Training Organisation) and with over 21 years in the training and transport industries, Shift Training offers you a new and fresh alternative to upgrade your current qualifications or to train new instructors into the industry.

The new qualification includes units relevant to the driver training industry and as a professional driver trainer, it is important to ensure you continuously improve and develop your skills – gaining the latest qualification is definitely the way to go.
